

Shed some light ... on **the Bible** at MCSI

The Bible holds the record for the best-selling book of all time, but its contents are still unfamiliar to many of us. Some people have dipped into the Bible, but never put it together from cover to cover. The MCSI subject **Bible Survey: Genesis to Revelation** explores highlights of the biblical story from beginning to end, its plots and themes as well as its literary character and purpose. Special emphasis is given to how to interpret the Bible today.

You can also take subjects in science, philosophy, ethics, Jesus, the media, economics, education, pop culture, counselling and justice. See www.mcsi.edu.au for information and timetables.

MCSI provides subjects for students of all stages and of any beliefs. Our aim is to take a considered Christian approach to knowledge, in all of its disciplines.

Our subjects can be counted towards almost any degree at any university. We have a special agreement with Macquarie University, our home campus, allowing MU students to take our subjects as part of their program. But whatever campus you are from, chances are you will be able to study with us. Visit www.mcsi.edu.au for details.

If you are looking for a degree in Christian Studies, we have just the thing: ask us about our very flexible and highly regarded Bachelor of Christian Studies degree.

Not a student? No problem! We also offer our subjects to the general public at a lower charge. Many people—from office workers, church workers, retirees or mums and dads—take our subjects for the sheer pleasure of learning.

We hope you will find a subject or degree that interests you and look forward to taking the learning journey together.
