

# Shed some light ... on **learning** and **education** at MCSI

Teachers influence who we are and how we think and act. Theories about teaching and learning abound. MCSI offers a range of subjects about **education** that help you navigate through the maze. Visit classrooms to observe features of Christian education. Analyze the major functions of contemporary schooling in Australia. Consider how your worldview affects your curriculum design and pedagogy. Examine values in education and education in community.

You can also take subjects in science, philosophy, the Bible, ethics, Jesus, the media, economics, pop culture, counselling and justice. See [www.mcsi.edu.au](http://www.mcsi.edu.au) for information and timetables.

**MCSI** provides subjects for students of all stages and of any beliefs. Our aim is to take a considered Christian approach to knowledge, in all of its disciplines.

Our subjects can be counted towards almost any degree at any university. We have a special agreement with Macquarie University, our home campus, allowing MU students to take our subjects as part of their program. But whatever campus you are from, chances are you will be able to study with us. Visit [www.mcsi.edu.au](http://www.mcsi.edu.au) for details.

If you are looking for a degree in Christian Studies, we have just the thing: ask us about our very flexible and highly regarded Bachelor of Christian Studies degree.

Not a student? No problem! We also offer our subjects to the general public at a lower charge. Many people—from office workers, church workers, retirees or mums and dads—take our subjects for the sheer pleasure of learning.

We hope you will find a subject or degree that interests you and look forward to taking the learning journey together.
