

Shed some light ... on worldviews & life's meaning at MCSI

MACQUARIE
CHRISTIAN STUDIES
INSTITUTE

Naturalism, deism, theism, existentialism, postmodernism. These are just some of the 'isms' or worldviews that shape a person's thinking. How do these worldviews influence our lives? What does a Christian perspective bring to bear on these divergent understandings of life, the universe and everything? Is there a Christian worldview and, if so, what would it look like? Find out by taking the MCSI subject **Worldview Survey: Christian and Philosophical Perspectives**.

At MCSI you can also take subjects exploring Christian perspectives on science, the Bible, ethics, Jesus, the media, economics, education, pop culture, counselling and justice. See www.mcsi.edu.au for information and timetables.

MCSI provides subjects for students of all stages and of any beliefs. Our aim is to take a considered Christian approach to knowledge, in all of its disciplines.

Our subjects can be counted towards almost any degree at any university. We have a special agreement with Macquarie University, our home campus, allowing MU students to take our subjects as part of their program. But whatever campus you are from, chances are you will be able to study with us. Visit www.mcsi.edu.au for details.

If you are looking for a degree in Christian Studies, we have just the thing: ask us about our very flexible and highly regarded Bachelor of Christian Studies degree.

Not a student? No problem! We also offer our subjects to the general public at a lower charge. Many people—from office workers, church workers, retirees or mums and dads—take our subjects for the sheer pleasure of learning.

We hope you will find a subject or degree that interests you and look forward to taking the learning journey together.
