

# Shed some light ... on **Jesus** at MCSI

MACQUARIE  
CHRISTIAN STUDIES  
INSTITUTE

Google 'Jesus' and you get 152 million results. He may have cultivated more discussion, interest and controversy than any other person in world history. Who was he? What were his ethics, his teachings, his motivations? In the MCSI subject, **Jesus: Person, Politics & Ethics**, you'll look in-depth at Jesus' life and words, what we know about him and what difference he made (and is still making) to the world.

At MCSI you can also take subjects exploring Christian perspectives on science, philosophy, the Bible, ethics, the media, economics, education, pop culture, counselling and justice. See [www.mcsi.edu.au](http://www.mcsi.edu.au) for information and timetables.

**MCSI** provides subjects for students of all stages and of any beliefs. Our aim is to take a considered Christian approach to knowledge, in all of its disciplines.

Our subjects can be counted towards almost any degree at any university. We have a special agreement with Macquarie University, our home campus, allowing MU students to take our subjects as part of their program. But whatever campus you are from, chances are you will be able to study with us. Visit [www.mcsi.edu.au](http://www.mcsi.edu.au) for details.

If you are looking for a degree in Christian Studies, we have just the thing: ask us about our very flexible and highly regarded Bachelor of Christian Studies degree.

Not a student? No problem! We also offer our subjects to the general public at a lower charge. Many people—from office workers, church workers, retirees or mums and dads—take our subjects for the sheer pleasure of learning.

We hope you will find a subject or degree that interests you and look forward to taking the learning journey together.
